After months of preparation, it's time to sit back, relax & enjoy your big day.

The finishing touch offers the opportunity to do just that.

Get the look

With 12 years experience in both studio & photographic make-up artistry & specializing in bridal hair & make-up for 7 years ~ you can be confident that your look will be just right.

You will probably already have a few ideas on how you want to look on your big day, with this in mind, I offer an individual approach with fresh inspiration ~ essential in creating the desired effect ~ designed just for you.

Design consultation

Included in the package I offer a preliminary design service. This is where we get to meet and chat about your ideas.

No doubt you will have paid particular attention to detail in choosing all the accessories to compliment the theme of your wedding, this gives me the opportunity to design your look around your theme.

N.B. To get the complete look please try to have colour swatches/head dress etc ready for the consultation.

I come to you.
